SUBJECT.

Additional establishment to Munsiff
Court at K. G. J.

(1)

The number of
suits which all the Gold
mines put together
contributed to the file
of the Kolar mine
was 26 in 1890 & 36 in
1891. This does not
seem to support the
statement that the offi-
cers of the companies
were often compelled
to neglect their work
& to go to Kolar. I do
not think that a case
has been made out for
the establishment of
a special court; & I

think that if necessary
the Haff of Kolar may
be directed to hold
his Court once a month
in the God fields.

I agree

all

20/1

I would advocate
the establishment of
a separate Court at
Hawringpet or in the God
fields, as a step in fur-
-therance of my scheme
to increase the number
of our Munsiffs family
so that no Munsiff
may exercise jurisdic-
-tion over more than
two Taluks. I have
set out my reasons in
a separate memo,

as the scheme is in-
-tended to improve
the administration
of civil & criminal
justice throughout
the Province, and as it
has no special reference
to the representations
made by the Gold
Mining Companies.

This proposal
however the
No. of mps
and 1800
and 2 Taluk
head mps
requires further
consider. It
seems to me that
as in Madras

27 Jan 93
A. Ramachandran

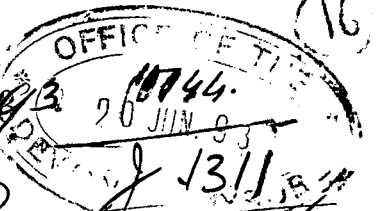

it is better to have mps who
canal work of and to have
separate station, master for doing
canal work enclosure.

The Scale of pay & allowances
proposed by the Munsiff & re-
commended by the Chief Court
appears to be unduly high. BS40
is the pay of the 1st class clerk of
a first class Munsiff Court.
like Bangalore or Mysore, while

Count - get only 35 & 30 respectively.
BS16 is the pay of a 1st class Munsiff,
& while that of the 2nd class Munsiff
is BS14. The recommendation
made by the Dist. Judge, the less
liberal, appears to be sufficient.
The necessity of an allowance
of BS20 a month on account of
contingencies is not apparent &
ordinarily the monthly expenditure
in the Munsiff's Court varies from
BS3 to 5. As already seen the
contingent allowance is drawn
by Mr. Hume Wright for his Court
as a special charge, BS2 & 3.
an account of contingencies may
be amply sufficient. Munsiff,
I do not think, are allowed to
subscribe for the Indian Law
Reports.

Owing to the transfer of the
Barristers' Office from the jurisdiction
of the Kolac Munsiff's Court, it may
probably be found feasible to
reduce the permanent & process
establishment to about half.
on this point, opinion of the Chief Court
may be called for.

siff's Court at the Kolar Gold Fields,
I am directed to forward Copy of letter
N^o 5633 of the 12th Instant and of its
enclosure, from the District Judge, Sand-
droof Division, and to recommend
that the scale of Establishment for
the new Munsiff's Court, as proposed
by Mr Rume Wright, may be sanctioned

after which time, the Judges will be
in a position to decide, taking into
consideration the number of cases

is no doubt somewhat higher than
that in force in other Munsiff's Courts,
but considering the difficulty of

procuring accommodation and the high cost of living at the Gold Fields, the Judges are of opinion that the scale of establishment as now proposed by Mr Wright may be sanctioned.

3. The favor of a very early reply is solicited, as the establishment has to be in working order on 1st July 1893.

To,

The Registrar of the
Chief Court of Mysore

Sir,

In forwarding herewith copy of letter No 796 dated 5th Instant from the Munsiff, Holar Gold Fields, together with a Schedule of the establishment proposed by him for his Court, I have the honor to state that the rate of pay proposed by the Munsiff is higher than the rate sanctioned to the other Munsiff's Courts in the State, and that the following establishment would suffice and may, for the present, be sanctioned.

Court establishment.

1 Head Munshi (who ought to draw the same pay drawn by the Head Munshi of a 3rd grade Munsiff's Court), viz Rs 30/-
1 Munshi on Rs 20/-

No living is represented by the

Munsiff

27

Munsiff to be very dear in the Holar Gold Fields,
an allowance of Rs 5/- each might be allowed
to them.

Process Establishment.

- 1 Amin of the second grade
- 4 Process Peons (of whom one may be
in the 1st grade and the rest three of
the second grade).

An allowance of Rs 2/- to the Amin
and of one Rupee to each of the Process Peons
may be granted.

Two Dalayets may be allowed. Their
pay may be as in other Munsiffs' Courts viz Rs 6/-
each with an allowance of one Rupee each.

The Munsiff may be allowed
the same Contingent allowance sanctioned
to the Holar Munsiff's Court, viz Rs 100/-, for
Court Contingencies, and Rs 50/- for Process
contingencies per annum, as provision has
to be made by the Munsiff for the purchase
of the Indian Law Reports for the use of his
Court out of this allowance.

Sir,

I have the honor, with reference to your
docket no 5541 dated 29th May 1893, and its

enclosures, to state that the Civil work in
Bowringpett Taluq, as calculated by the Chief
Judge, is probably much below what it will
be, and with this view, I paid a visit to the
Chief Judge to discuss the matter before writing
officially. For the present, an establishment, as
sanctioned, may be entertained, and I particu-
larly request that a Head Munsifi, trained
and experienced in Civil Court work, may
be sent, and if possible, one with a good
knowledge of Tamil. If the selection is left
to me, I would suggest that the appointment
of

357

of Head Clerk be advertised in the Gazette as follows:- one who has served at least 5 years in a Civil Court and who has passed the lower grade, Civil, has a knowledge of Tamil and English and is recommended by the officer under whom he is at present working. For 2^d Clerk, the 3rd Clerk now employed in my office of Special Magistrate may be transferred, as he has 3 years' experience of the work of a Civil Court. I may point out that men of any experience in the work must be paid higher than elsewhere, in order to secure their services at the Gold Fields, in Cases where this cannot be done, allowances should be granted to compensate for extra cost of living. I submit a schedule of the proposed establishment with pay and allowances, also a schedule of the requirements of the Court.

I would suggest that 4 Process Boys for such a large Salang as Kauringpete is insufficient and may cause delay in the work of the Court at the outset

to be inadequate for the efficient and
expeditious disposal of work.

recently inspected the Court, has
satisfied himself that an increase

The former consists of two hands
